### *Congratulations!*

On behalf of the members of Eta Kappa Nu (IEEE-HKN), Kappa Psi Chapter, it is our pleasure to invite you to join HKN, the official engineering honor society of the Institute of Electrical and Electronics Engineers (IEEE).

You are chosen to receive this invitation because you are of an affiliated major and in the top 1/5 of your sophomore class, top 1/4 of your junior class, top 1/3 of your senior class, or top 1/3 of your graduate department.

### Who We Are

HKN uniquely honors ECE, CSE, MAE, BENG, DSC, MATH-CS, and COGS-ML students who have achieved substantial success academically, possess leadership qualities and have noteworthy character. Your academic success at the University of California, San Diego qualifies you for admission into HKN.

As an HKN member, you will have the opportunity to work with other HKN members and faculty in service programs that will refine your skills for your professional future. You will develop leadership abilities and have an opportunity to cultivate a lasting network between you, your peers, and your faculty.

Companies recognize the importance of being an HKN member and the professional skills that members can contribute. Often, membership in this honor society is an influential factor in their decision to make a professional job offer.

Our members benefit from a wide array of development opportunities including technical workshops, resume and interview workshops, social events and outreach, as well as exclusive networking event and career fairs (available after you become a member). See upcoming events on the portal.

### Next Steps

#### 1. Sign up for HKN Portal

The first step to starting your induction process is to fill out the [HKN Inductee Fall 2024 Cycle Sign Up form](#)! This form will directly sign you up for an HKN portal account, which is the platform we use to sign in to events, give points, and much more! Please fill out the form by **Oct. 24** to be officially considered an inductee for this application cycle.

## 2. Attend Our Info Sessions

To answer any questions that potential members may have, we have set up two info sessions. These events will cover the requirements for induction and details of the upcoming induction ceremony. The event details are summarized below.

**Info Session 1: Monday, Oct. 14 at 5:00 - 6:00 PM in Price Center West, Marshall Room (above Subway)**

**Info Session 2: Tuesday, Oct. 22 at 5:00 - 6:00 PM in Price Center West, Marshall Room (above Subway)**

If you can not make either session, we will send out the slides to everyone who fills out the Inductee Sign Up form on Oct. 25th.

We look forward to seeing you in our upcoming Info Sessions!

Best regards,

Travis Wu | Connor Loewy

Vice President - Membership | Induction Coordinator
